#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of American Civil Liberties Union of Mississippi Foundation, Inc. Jackson, Mississippi

#### Report on the Financial Statements

We have audited the accompanying financial statements of American Civil Liberties Union of Mississippi Foundation, Inc. (ACLUMF) (a nonprofit organization), which comprise the statement of financial position as of March 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

#### INDEPENDENT AUDITORS' REPORT CONTINUED

To the Board of Directors of American Civil Liberties Union of Mississippi Foundation, Inc. Page 2

#### Auditors' Responsibility, Continued

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to ACLUMF's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ACLUMF's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to on the previous page present fairly, in all material respects, the financial position of ACLUMF, as of March 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTE 1 - CORPORATION'S HISTORY AND PURPOSE

American Civil Liberties Union of Mississippi Foundation, Inc. (ACLUMF) (affiliate corporation) (a non-profit organization) was incorporated in 1988 with a mission and purpose to support its parent corporation, the American Civil Liberties Union Corporation, in its mission of individual rights of all individuals in the State of Mississippi and the United States of America. ACLUMF has adopted the following guiding principles:

- The right of free expression above all, the freedom of dissent from the official view and majority.
- The right to equal treatment regardless of race, sex, religion, national origin, sexual orientation, age or handicap.
- The right of fair play in encounters with government institutions, courts, schools, police, bureaucracy and with the repositories of great private power.
- The right to be left alone to be secure from spying, from the promiscuous and unwarranted collection of personal information, and from interference in our private lives.

The American Civil Liberties Union Corporation is located at 233 East Capitol Street, Jackson, Mississippi 39201.

The fiscal year of ACLUMF is April 1 through March 31.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

#### Basis of Accounting

The financial statement of **ACLUM** are prepared on the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America.

#### Financial Statement Presentation

Effective April 1, 2018, **ACLUMF** has implemented the guidance under Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, which amends the previous standard for external financial reporting by not-for-profit organizations. Under ASU 2016-14, **ACLUMF** classifies resources for financial accounting and reporting purposes into two net asset categories: without donor restrictions and with donor restrictions. A description of the two net asset categories is as follows:

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES, Continued

#### Financial Statement Presentation, Continued

- Net assets without donor restrictions include funds not subject to donor-imposed stipulations. Grants and contributions without donor restrictions, other income and expenses incurred in conducting the mission of ACLUMF are included in this category.
- Net assets with donor restrictions include funds not subject to donor-imposed stipulations. Grants and contributions without donor restrictions, other income and expenses incurred in conducting the mission of ACLUMF are included in this category.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three (3) months or less.

#### Donated Property and Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, ACLUMF reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. ACLUMF reclassifies temporarily restricted net assets to net assets with donor restrictions at that time.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES, Continued

#### Donated Services

**ACLUMF** pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist **ACLUMF** with specific assistance programs, fundraising solicitation, and various other assignments. The amounts for donated services have been reflected in the financial statements in the year ended March 31, 2019.

#### Fund Accounting

The accounts of **ACLUMF** are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups.

#### Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. ACLUMF capitalizes all costs for property and equipment in excess of \$500. Depreciation is computed on the straight-line basis over the estimated useful life of the asset. The estimated useful lives are three (3) to seven (7) years for furniture and equipment.

#### Revenue Recognition

Contract revenues and grant revenues from federal state and private grants structured as exchange transactions are recognized when earned.

Grants (if considered nonexchange transactions) are classified as contributions when received or substantially unconditionally promised and are recorded as with or without donor's restrictions support, depending on the existence and/or nature of any restrictions.

#### Deferred Revenues

Deferred revenues arise when resources are received by ACLUMF before it has a legal claim to them. In subsequent periods, when ACLUMF has legal claim to the resources, current period revenue is recognized and deferred revenue is reduced.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES, Continued

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain report amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

#### **Functional Expense Allocation**

Functional expenses are allocated among the various program services and general and administrative categories based on actual use or management's best estimate.

#### NOTE 3 - FAIR VALUES OF FINANCIAL INSTRUMENTS

**ACLUMF's** financial instruments include cash and cash equivalents. **ACLUMF** estimates that the fair value of all financial instruments at March 31, 2019 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statements of financial position.

The estimated fair value amounts have been determined using available market information and appropriate valuation methodologies. The carrying amounts of cash and cash equivalents approximate fair values because of the short maturities of those instruments.

#### NOTE 4 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of the following at March 31, 2019:

	_	Carrying Amount		Fair Value
Cash and cash equivalents  Money market accounts	\$	326,190 260,287	\$	326,190 260,287
Total	\$_	586,477	\$ _	586,477

## NOTE 5 - CONCENTRATIONS OF CREDIT RISK ARISING FROM DEPOSITS IN EXCESS OF INSURED LIMITS

**ACLUMF** maintains its cash accounts in one (1) financial institution located in Jackson, Mississippi. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At March 31, 2019, **ACLUMF's** bank balances were uninsured in the amounts of \$75,085. Also, **ACLUMF** maintains cash accounts in one (1) credit union located in Jackson, Mississippi. The deposit balances maintained at the credit union are insured by the National Credit Union Administration up to \$250,000. The uninsured amounts at March 31, 2019 was \$10,287.

#### NOTE 6 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects **ACLUMF's** financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date. Donor-restricted amounts that are available for use within one year for general purposes are as follows:

Financial assets at year end	\$	943,157
Less those unavailable for general expenses within one year due to donor-restriction for service projects	_	(84,888)
Financial assets available to meet cash needs for general purpose within one year	\$	858,269
	===	

#### NOTE 6 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS, Continued

As part of ACLUMF's liquidity management, it has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In the event of financial distress or an unanticipated liquidity need resulting from events outside the typical life cycle of converting financial assets to cash or settling financial liabilities, ACLUMF also could also make a request of the Board to change the designation for either a portion or all of its restricted fund to meet the immediate liquidity need.

#### NOTE 7 - SHORT-TERM INVESTMENTS

At March 31, 2019, Investments are recorded at fair value as follows:

	Fair Value Beginning of Year	Dividend einvested	Aj	Unrealized Appreciation (Depreciation)		Fair Value End of Year
Vanguard Fidelity Investment	\$ 253,880 82,990	\$ 8,470 -0-	\$	12,315 (975)	\$	274,665 82,015
Total	\$ 336,870	\$ 8,470	\$	11,340	\$	356,680

The Securities Investor Protection Corporation (SIPC) protects against the loss of cash and securities. The limit of SIPC protection is \$500,000, which includes a \$250,000 limit for cash. At March 31, 2019, **ACLUMF's** investments were uninsured by SIPC.

#### NOTE 8 - FAIR VALUE MEASUREMENTS

**ACLUMF** has adopted, Fair Value Reporting, which FASB ASC 820 defines fair value, establishes a framework for measuring fair value and expands disclosure about fair value measurements.

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities that ACLUMF has the ability to access.

#### NOTE 8 - FAIR VALUE MEASUREMENTS, Continued

Level 2 Observable inputs other than level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the fill term of the assets or liabilities.

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The category within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Following is a description of the valuation methodologies used to measure fair value. There have been no changes in the methodologies used at March 31, 2019.

#### Cash and cash equivalents and money market accounts:

The carrying amount is a reasonable estimate of fair value.

			Quoted Prices in Active

There were no investments at March 31, 2019 that were measured at level 2 or level 3.

The following financial instruments are recognized on the statements of financial position using measures other than fair value. The estimated fair value for those assets and liabilities are disclosed as of March 31, 2019 as follows:
